Petite Florals by Janet Sansom embroidery designs.

Finished Quilt Size: Measures 85 ½ x 85 ½ inches (216 x 216 cm)

Embroidery Instructions

Petite Florals design set comprises 45 designs which measure a maximum 80 x 80cm.

Fabric for the embroidered blocks is cut larger than needed due to shrinkage that occurs and to allow room for hooping.

From the Quilters' Muslin cut 45, 6 inch squares or large enough to accommodate hooping, they will be recut to 4 ½ inches square after embroidering.

Download the designs to your machine.

When finished, trim any jump stitches and gently remove stabilisers. Lay the block face down on a towel, press and spray starch.

Layout:

Using the layout diagram below as a guide, join blocks together in diagonal rows, press the seams of each row in alternate directions. Sew the rows together, carefully abutting the seams and matching the intersections.

insom

Sashing:

Cut eight 1 inch strips the width of the fabric, join where necessary

Join on 45 degree angle, trim to ¼ inch and press
Stitch to top and bottom, then to each side.

Mitered Border:

Cut 4 borders 5 ½ inches wide and 80 inches long. They have been cut slightly longer to enable mitering the corners. Centre the fabric borders pin and begin and end stitching ¼ inch from edges of corners. Press seam allowances toward the quilt top.

Use the 45° angle line, marked on your ruler, to pencil a 45° stitching line from the corner of the quilt to the raw edge of the border. Diagonally fold border of the marked corner under and lightly iron, pin in place, stitch and trim excess fabric and press seam open. Repeat for the remaining corners.

Backing:

Finished you will need a 93 inch square. Cut 2 pieces of backing fabric 93 inches long, remove the selvages, sew them side-by-side and press the seam open. Cut 6 inch strips of the remaining fabric, join and stitch to the short side to make a square. To enable machine quilting the backing and batting need to be 10cm (4") bigger than the quilt top on every side. Cut down excess.

 This quilt was machine quilted by Desley Regan of Addicted to Quilts, who used a continuous leaf motif.

Binding:

From the sashing and binding fabric cut 2 ½ inch binding strips (approx. 9 metres); join the strips together to form one long piece.

Join on 45 degree angle, trim to ¼ inch and press

Fold in half down the length with the wrong sides together. Align the raw edges of the binding and sew in place using a 1/4in seam allowance. Attach the binding to the quilt with a walking foot, mitering the corners as you go. Turn the folded edge to the back and hand stitch in place along the previous stitching line.

Happy stitching,

Janet
